**Water Main Valve Replacement 6/03/2024**  
**Water will be shut off at 830 AM until repairs are complete.**  
**Only those residents affected will receive notice.**  
**THIS IS ONLY FOR VILLAGE OF JEROME WATER CUSTOMERS**  
**A boil order will only be issued if required.**  
**A list of addresses are included**

This water main repair work may result in sediment, possibly, containing lead, in your water service lines and faucet screens.

It is recommended that you flush your lines for at least 5 minutes, then remove and clean any debris from faucet aerators.

It's important you are aware that Infants and young children may suffer adverse health effects as a result of exposure to lead.

**More information on lead can be found at:**  
<https://www.cwlp.com/LeadAwareness>  
Or scanning this QR Code with your smartphone
